[Shark Reef Aquarium at Mandalay Bay](#)

Submitted by [joeintern](#) on Mon, 07/11/2016 - 7:38pm

During the Cisco Live! conference I took the chance to visit another aquarium, the Shark Reef Aquarium at Mandalay Bay. It was not the best experience. It was one of the less clean aquariums I have visited. We have no idea how lucky we are to have the aquariums here in Tennessee, Ripley's in Gatlinburg, and the one in Chattanooga. Those are the cleanest I have ever visited.
